

OUR JOURNEY OF 25 YEARS EXCELLENCE

Founded in 2000, LOYD Group of Companies has grown hand in hand with Dubai's remarkable transformation. Over the past 25 years, we have evolved from a trusted building materials supplier into a fully integrated powerhouse, combining construction, contracting, and real estate development under one roof. Our journey is defined by vision, dedication, and an unwavering commitment to excellence.

From supplying high-quality materials to executing complex construction projects and creating valuable real estate assets, LOYD has consistently delivered reliability, innovation, and measurable results. Every project we undertake reflects our belief that true success is built on lasting relationships with clients, partners, and investors alike anchored by quality, trust, and integrity.

SINCE
2000

VISION

To be the UAE's most trusted and integrated player in building materials, construction, and real estate, delivering reliable solutions, innovative projects, and lasting value.

MISSION

To empower projects and investments by providing superior materials, precise execution, and strategic real estate expertise, ensuring every endeavour achieves maximum quality, efficiency, and long-term growth.
